de fer du Canada

## QUALIFICATION TO PARTICIPATE

The 2023 Railway Emergency Response training scheduled for June 19-23 and Sept 11-15, 2023, in Maple Ridge B.C. will involve both classroom and field activities. Some of the field activities will require the ability to wear air packs while in encapsulated suits, climbing railcars and tank trailers and performing response tasks such as moving response materials and applying them in scenarios involving leaking containers/vessels.

As part of the registration process, it is acknowledged that **(PRINT STUDENT NAME)** \_\_\_\_\_ does not have any restrictions which would prevent them from participating in the above activities.\*
