Subject: 2023 Safety Awards – Incident Reporting System

Dear Mr. McKenna, Mr. Edeburn, Mr. Taylor and Mr. Martens,

We are pleased to advise that Rocky Mountaineer's *Incident Reporting System* has been selected for the 2023 Safety Award of the Passenger (intercity, tourist, commuter) – employee incidents category.

The Railway Association of Canada's (RAC) Evaluation Committee scored your initiative using a weighted evaluation system and concluded that it merited an award for its new reporting system which allows for incident and near miss reports to be completed electronically by individual team managers, who are directly responsible for the safety and well-being of their teams.

We thank Rocky Mountaineer for participating in this year's 2023 Safety Awards and for your continued commitment to develop and maintain industry best practices in safety and we congratulate you on this important recognition from your peers in the industry.

We hope that you will both be able to attend our awards ceremony that will take place during the RAC's annual holiday reception on **November 29, 2023, from 5:00 pm – 7:00 pm at the Metropolitan Brasserie in Ottawa.**

The RAC will be reaching out to officially invite each winner to the holiday reception and awards ceremony in the coming weeks. During the reception, we would like to interview each of you to discuss in greater detail your winning initiative so the RAC can post on social media channels to help give more attention to your organization's dedication to safety and to making the rail industry safer each year.

Sincerely,

Marc Brazeau
President and Chief Executive Officer
