Subject: 2023 Safety Awards – Front-Line Safety Program

Dear Mr. Huggins and Mr. Goodfellow,

We are pleased to advise that Toronto Terminals Railway's *Front-Line Safety Program* has been selected for the 2023 Safety Award of the Passenger (intercity, tourist, commuter) – employee incidents category.

The Railway Association of Canada's (RAC) Evaluation Committee scored your initiative using a weighted evaluation system and concluded that it merited an award for building a future of safe practices designed, implemented, and endorsed by the people that use them. This is a great recipe for success that can be repeated with other organizations.

We thank Toronto Terminals Railway for participating in this year's 2023 Safety Awards and for your continued commitment to develop and maintain industry best practices in safety and we congratulate you on this important recognition from your peers in the industry.

We hope that you will both be able to attend our awards ceremony that will take place during the RAC's annual holiday reception on **November 29, 2023, from 5:00 pm – 7:00 pm at the Metropolitan Brasserie in Ottawa.**

The RAC will be reaching out to officially invite each winner to the holiday reception and awards ceremony in the coming weeks. During the reception, we would like to interview each of you to discuss in greater detail your winning initiative so the RAC can post on social media channels to help give more attention to your organization's dedication to safety and to making the rail industry safer each year.

Sincerely,

Marc Brazeau
President and Chief Executive Officer
